1. Subject is under consideration for affiliation with this Agency on the Life Sciences Panel of the [REDACTED] Committee. [REDACTED] DAD(Life Sciences), ORD/DDS&T, is most anxious to have Subject cleared for this participation, through TOP SECRET, as soon as possible.

2. This memorandum is to confirm our telephonic conversation earlier this week with respect to Subject's clearance status. It has been determined from Mrs. Irene Haworth, Secretary to the Executive Director of the President's Scientific Advisory Board, that Subject holds a TOP SECRET clearance, dated 22 May 1961, for utilization on the PSAB. It is my understanding that Subject has been approved for a proposed utilization by [REDACTED] on the basis of this TOP SECRET clearance.
